**TYPE OF
ADVICE/SERVICE**

FEE or REMUNERATION

Advice

Fees may be invoiced directly or collected from the product. An upfront fee for service may be charged based on either a fixed dollar amount, on the value of the funds invested, or a combination of these methods.

Fee for service for the preparation of your advice.

This fee is based on an hourly rate of \$375 per hour with a minimum fee of \$660 and a maximum fee of \$3,300.

Hourly rates for the Vision Wealth Strategies office are:

- Senior Financial Adviser \$375.00 per hour
- Financial Adviser \$220.00 per hour
- Planning Assistant \$165.00 per hour
- Administrative Assistant \$110.00 per hour

Alternately, we may agree to charge a flat \$ fee based on the complexity of the advice and the work involved. This fee is negotiated with you and can range from \$660 to \$3,300.

Implementation

The cost of implementing your financial strategy will usually cost between \$0 and \$880 depending on the products, strategies and time involved.

Alternatively, an implementation fee of up to 5.5% of the initial invested funds (e.g. if you have invested \$100,000 in a managed fund, the implementation fee paid by the fund manager may be up to \$5,500).

These costs may be in addition to any advice fee and will be set out in your advice document.

You can choose to receive an invoice for your implementation fee. Alternatively, we may be able to deduct the fee from your financial products. Your adviser will discuss and agree payment options with you.

Additional fees may be incurred for ongoing services (please refer to the Ongoing Service section).

**Ongoing Service – Adviser
Service Fee**

Providing service on an ongoing basis allows you to have the confidence that you have access to a professional that knows you and your circumstances. It can fund the cost of strategic advice and/or portfolio advice in a changing environment.

Fees may be invoiced directly or collected from the product. Ongoing fees may be charged based on either a fixed dollar amount, the value of the funds invested, or a combination of these methods. This fee will be negotiated with you and can range from \$880 to \$5,500.

Alternatively, an Adviser service fee of up to 2.2% of funds under management (e.g. if your investment amount is \$100,000, then PATRON may receive up to \$2,200pa). These fees will typically be paid on an ongoing basis while the investment is still in place.

Where Cashflow Monitoring strategies are recommended, the following ongoing fees will apply:

- Monthly cash flow monitoring of up to \$2,640 per annum plus a fee of 0.275% (per annum) of funds under management.

A minimum fee of up to \$720 per half year may be charged.

Other Services

Ad-hoc services can be provided on an as needs basis. Fees will be agreed before any work commences and may be based on time to complete at a cost of \$220 per hour or as a set fee up to \$10,000.

Upfront

This is paid by the issuer of the financial product/s recommended when the product is issued to you. This may be deducted from the initial amount you have invested or it may be payable from the product provider's own resources.

INVESTMENT/SUPERANNUATION

Can be up to 4.4% of the funds under management; based on an account balance of \$1,000, this equates to \$44.

PERSONAL INSURANCES

Can be up to 140% of the premium paid; based on a premium of \$1,000pa, this equates to \$1,400 in year one.

Commissions

Ongoing

This is paid by the issuer of the financial product/s recommended and is payable on an ongoing basis while the investment/insurance is still in place.

INVESTMENTS/SUPERANNUATION

Can be up to 2.2% of the funds under management; based on an account balance of \$1,000, this equates to \$22.

PERSONAL INSURANCES

Can be up to 45% of the premium paid; based on a premium of \$1,000, this equates to \$450.

Your advice document will disclose any benefits or fees received by PATRON and/or your adviser.

All of the above fees and commissions are inclusive of GST.

How Will I Pay for the Services Provided?

Your adviser chooses to receive remuneration via the following methods and at the following levels (all figures are inclusive of GST).

- Professional Fees - where you pay a fee to PATRON for all the services that we provide (including the Statement of Advice (SOA) and implementation and review of the advice). This may be charged by direct invoice, deductions from your investment products or a combination of both;
- Brokerage/commissions - where the investment product provider pays PATRON upon your initial investment

- (initial fees and charges) and/or regularly throughout the life of your investment (ongoing fees and charges); or
- A combination of both – where you pay for the cost of the SOA and a percentage for the product/investment placement, which may include initial fees and charges and/or ongoing fees and charges.

Note: This Fee Insert combined with the Financial Services Brochure completes your Financial Services Guide.
